If we all do a little, the results will be a lot

C.H.E.E.R.S.
COMMUNITY, HEALTH, EQUITY
EMPOWERMENT, RESOURCES AND SERVICE

508 C.H.E.E.R.S. is a youth-driven nonprofit on a mission to empower, uplift, and unite Worcester through service, leadership, and equity.

Every month, our young leaders prepare meals for families in need, organize community service projects, engage in civic leadership, work on positive mental health, address period poverty and host youth wellness and sports camps that educate youth on food insecurity and tackle it head-on.

Just \$1-\$10 a month fuels this movement, helping youth lead with purpose and build a stronger, healthier Worcester.
